# Call To The Nations

Reaching the Unreached People Groups of the World

Matthew 24:14

## What is Call To The Nations?

Call To The Nations is a ministry dedicated to reaching the unreached people groups of the world. Matthew 24:14 says, **“And this gospel of the kingdom will be preached in all the world as a witness to all the nations (Greek ethnos: a race, a tribe), and then the end will come.”**

We are licensed ministers and a part of a worldwide movement called The International Church of the Foursquare Gospel. We are currently in the process of relocating to the city of Cuenca, Ecuador.

## Unreached People Groups

A people group is defined as a group who share a common language, customs, history, or other characteristic which gives them a shared identity. A group is considered unreached if they can not evangelize their own people without outside help. According to Mission Maker Magazine, there are still 13,000 unreached people groups out of a total of 27,000 groups.

Reaching an unreached group is not simply a matter of bringing in Bibles and telling people to believe in Jesus. In many cases, there is a mistrust of outsiders due to injustices done to the group. In nearly every case, there are many cultural and relational barriers which block any form of evangelization. These barriers are best bridged by simple acts of love and kindness.

Over a period of time, usually some years, a relational bond is developed which may open the door to sharing about God. Since this process takes a long time to develop, no individual or church can realistically hope to reach more than one or two groups.

Our initial task will be to plant a church in the city of Cuenca. While Cuenca is a beautiful city and was named as the #1 city in the world to retire in for the year 2009 by International Living magazine, the spiritual needs are great. The people are hurting and need to know that true Christianity is not a religion, but is about having a relationship with the creator of the universe. As we minister in the city and bring people this truth, we will train up some to be pastors. We believe we will see a move of God so powerful that the city will become a bright, shining light and many will be sent out to the unreached people groups of Ecuador.

## You can help!

We are currently raising funds for this mission. We need to raise funds to cover the cost of moving and to obtain a resident visa which will allow us to stay permanently. We are also raising the monthly support needed to live and minister in Ecuador.
